EXCELLENCE IN BUSINESS AVIATION

During the past 10 years, Global Aircraft Corp. has been providing tailored consulting services in the aviation industry. Our team of experts have vast aviation experience, up-to-date industry knowledge and modern resources, to better assist our clients needs, whether for multi-engines jets, turboprops, and pistons airplanes, or helicopters. Our headquarters is part of the state-of-the-art Fontainebleau Aviation FBO complex, located at the Miami-Opa Locka Airport (OPF). We also have bases located in several cities in Brazil and Mexico, and we will soon have sales representatives in Europe and Asia Pacific.

Our services include:

• **Aircraft Sales & Acquisition**: Over 130 aircraft successfully traded worldwide.
• **Aircraft Management**: Planning and managing your operation, maximizing your productivity and reducing total costs.
• **Aircraft Insurance**: A full range of coverage options to fit your particular needs for the aircraft you own or manage.
• **Aircraft Finance**: Flexible solutions designed to make aircraft ownership more attainable within your financing needs.
• **Fractional Ownership**: Customized fractional ownership, planned to maximize the benefits for all proprietors.
• **Import & Export process**: Experience and due diligence enforced to ensure a fast, accurate completion of import and export transactions.
