EXCELLENCE IN BUSINESS AVIATION

Since 2010, Global Aircraft Corp. has been providing tailored consulting services in the aviation industry. Our team of experts have vast aviation experience, up-to-date industry knowledge and modern resources, to better assist our clients needs, whether for multi-engines jets, turboprops, and pistons airplanes, or helicopters. Our headquarters is part of the state-of-the-art Fontainebleau Aviation FBO complex, located at the Miami-Opa Locka Airport (OPF). We also have bases located in several cities in Brazil, and we will soon have sales representatives in Europe and Asia Pacific.

Our services include:

- **Aircraft Sales & Acquisition:** Over 200 aircraft successfully traded worldwide**.**
- **Aircraft Management:** Planning and managing your operation, maximizing your productivity and reducing total costs.
- **Aircraft Insurance:** A full range of coverage options to fit your particular needs for the aircraft you own or manage.
- **Aircraft Finance:** Flexible solutions designed to make aircraft ownership more attainable within your financing needs.
- **Fractional Ownership:** Customized fractional ownership, planned to maximize the benefits for all proprietors.
- **Import & Export process:** Experience and due diligence enforced to ensure a fast, accurate completion of import and export transactions.
